

New Children's Book "Run Duck Hide!: The Martians Are Coming?" Takes Young Readers on an Imaginative Adventure

"Run Duck Hide!: The Martians Are Coming?" is a new children's book by Marion Carlson, an experienced educator, that takes young readers on a fantastical adventure involving a boy and his dog. The story expertly combines reality with fantasy, encouraging children to explore their imagination.

Gotham Books is thrilled to announce the release of "Run Duck Hide!: The Martians Are Coming?", a captivating new children's book by esteemed educator Marion Carlson. With a lifelong dedication to elementary and early childhood education, Marion brings her extensive experience into the literary world, crafting an entertaining and educational story for young minds.

"Run Duck Hide!: The Martians Are Coming?" follows the story of a young boy and his loyal dog who embark on what appears to be a simple walk but quickly turns into an extraordinary adventure. As they wander, they encounter puzzling and thrilling scenarios that leave readers wondering, "Was it all real?" This delightful tale blends reality with fantasy, encouraging children to explore the limits of their imagination.

Marion Carlson, equipped with a Bachelor of Science Degree in elementary education and a Master's Degree with an emphasis in early childhood education from the University of Minnesota, has spent 38 years in the classroom and a decade as an adjunct professor at UMD. Marion's profound understanding of children's educational and emotional needs shines through in her storytelling.

The book has received high praise, with Amazon reviewer Mary Chantland commenting, "Cute story about a boy and his dog having a surreal experience. Very engaging and entertaining children's books!" This sentiment captures the essence of Marion's narrative – a journey that is as engaging as it is thought-provoking.

"Run Duck Hide!: The Martians Are Coming?" is an adventure that pushes the boundaries of a child's creative thought processes, making it a must-have in any young reader's collection. The book is available now on [Amazon](#) and [Barnes & Noble](#).

Join us in celebrating the launch of a book that is sure to delight, inspire, and ignite the imaginations of children and adults alike!

About the Book

Embark on a whimsical journey with a young boy and his loyal dog as they set out for a simple walk that spirals into a series of mysterious and exhilarating encounters. What starts as an ordinary day quickly transforms into an adventure that blurs the lines between reality and the unimaginable. Could this fantastic escapade be real, or is it all just a figment of their vivid imaginations?

Praise for "Run Duck Hide: The Martians Are Coming?"

"Kids can totally relate to it!" – Amazon Review

"Very good story for kids to enjoy, also would be great for classroom reading!" – Amazon Review

About the Author

Marion Carlson is a seasoned educator with over four decades of experience in elementary and early childhood education. Holding a Bachelor of Science Degree and a Master's Degree with an emphasis in early childhood education from the University of Minnesota, she has dedicated her career to nurturing young minds. Marion spent 38 years teaching and also served as an adjunct professor at UMD for a decade, where she supervised student teachers and contributed significantly to preschool and K-6 education. A long-standing member of Phi Kappa Delta, she was honored in "Who's Who in American Education" in 1987, underscoring her profound impact on education. Marion's deep understanding of children's developmental needs is vividly reflected in her literary work, where she continues to inspire and educate through storytelling.
