

"Wheely Things" - A New Children's Book Rolling into Hearts This Season

"Twelve Steps for White America," a new children's book by educator Marion Carlson and illustrated by Loren Chantland, is now available, introducing kids aged 1 to 12 to the world of wheels. The book spans 24 colorful pages and combines Carlson's extensive experience in early childhood education with Chantland's vibrant illustrations to create an engaging and educational reading experience.

By: Marion Carlson
Illustrated by: Loren Chantland

Worth Written Media is thrilled to announce the release of a delightful new children's book, "Wheely Things," authored by esteemed educator Marion Carlson, with vibrant illustrations by local Minneapolis artist Loren Chantland. This engaging book invites children aged 1 to 12 to explore the exciting world of wheels—from kiddy cars to trikes, bikes, and vehicles.

With her extensive background in elementary and early childhood education from the University of Minnesota, Marion Carlson brings over 38 years of teaching experience into crafting this story. Her expertise, complemented by a decade of supervising student teachers at UMD, ensures that each page of "Wheely Things" is educational and captivating for young minds.

Complementing Marion's narrative is the artistic flair of Loren Chantland, a renowned artist known for his vivid and expressive artworks in the Minneapolis area. Loren's illustrations breathe life into the story, making the simple journey of wheels an enchanting visual experience for young readers.

"Wheely Things" is a journey on wheels that children can embark on, page by page. It is a celebration of mobility, showcasing various modes of transportation that spark curiosity and inspire imaginative play.

This book is perfect for parents and educators looking to engage children with a fun and educational reading experience. It is an excellent addition to any young reader's library, promising to keep children enchanted as they roll along with every page turn.

"Wheely Things," spanning 24 colorful pages, is available on [Amazon](#) and [Barnes & Noble](#). Get your copy today, and let the wheels roll into your child's imagination!

About the Book

Roll into adventure with " Wheely Things," where every page turns into a journey on wheels! From the tiniest kiddy cars to the sleekest bikes, join a whimsical ride through a world spinning with excitement. Illustrated with flair by Loren Chantland and penned by veteran educator Marion Carlson, this vibrant book will steer young readers through the twists and turns of imagination. Buckle up because fun and learning await at every corner!

About the Author

Marion Carlson is a seasoned educator with over four decades of experience in elementary and early childhood education. Holding a Bachelor of Science Degree and a Master's Degree with an emphasis in early childhood education from the University of Minnesota, she has dedicated her career to nurturing young minds. Marion spent 38 years teaching and also served as an adjunct professor at UMD for a decade, where she supervised student teachers and contributed significantly to preschool and K-6 education. A long-standing member of Phi Kappa Delta, she was honored in "Who's Who in American Education" in 1987, underscoring her profound impact on education. Marion's deep understanding of children's developmental needs is vividly reflected in her literary work, where she continues to inspire and educate through storytelling.
